

GC Corporation was founded in 1921 in Japan and has developed itself into one of the most prominent companies in the development, production and distribution of a very wide range of dental products. Since 1972 **GC Europe NV**, our European Headquarter is located at the Researchpark Haasrode in Leuven. GC Europe NV supports and leads our different sales offices and dealers. Our warehouse spreads our products to Europe and the Middle East. Next to this we produce some leading products for dental technicians.

We are currently looking for a:

Business Controller

Purpose of the job

As a Business Controller at our company, you manage revenue and related expense reporting for one Business Unit, thereby ensuring control, accuracy, predictability and timely delivery of results, comparative analysis and commentary to BU leaders and Regional BU Finance team. You understand business/economic/environmental drivers of Actual results versus Operating Plan and Forecast. You ensure financial planning processes for revenue and direct expenses - you strategically capture, carefully estimate and skillfully communicate business impacting events. You anticipate changes, seek better practices and contribute to the company as a whole to be successful in its aims.

Main responsibilities

- Actively ensure compliance with laws, policies and best practices during transition to a Global SAP platform
- Support the enhancement and compliance of Business Finance processes, standards and systems as part of Large Global SAP implementation program
- Manage & support all BU revenue- and expense-reporting, ensuring control, accuracy, predictability and timely delivery of figures, analysis and comments.
- Ensure all local, regional and corporate reporting for BU is completed accurately and on-time as directed.
- Support BU in pursuit financial targets through in-depth analysis and sharing of financial knowledge.
- Co-ordinate and support any allocations/cost share between BU's within market or above market.
- Support the preparation of monthly, quarterly and yearly accounts.
- Business Finance contact for BU-managers, Country Brand Leaders, etc. Communicate, discuss and challenge financial impacts with BU-managers.
- Prepare and present at BU/Brand related meetings where financial input/commentary is required/requested.
- Attend -as requested- Regional BU related finance meeting.
- Own, manage and complete financial information requests from Regional/Corporate BU organizations.
- Ad hoc tasks occurring on Business Finance-function.

Requirements

- You like to work with numbers, and you have great **IT skills**. You have a great knowledge of IT infrastructure/systems processes, and Excel has no secrets for you. First experience gained in reporting/financial systems (such as Cognos, SAP S4 HANA, OpenText) are welcome.
- You have a Bachelor (or higher degree) in Business Administration or Economics.
- You may have gained a first experience in a Business Finance department
- You speak English fluently (extra points if you speak German and/or French)
- You are an analytical thinker: you are able to formulate and understand business issues, situations or problems by breaking them down into smaller parts and analyze them. You interpret data and draw conclusions and provide focused guidance.

- You are driven by the desire to identify, prioritize and maintain standards in order to meet internal and external demands. You focus on safeguarding and enhance the quality of what we do in terms of accuracy, timeliness and consistent with policies, guidelines and best practices.
- You are able to live and act in a climate of change. You handle stress and demands in a calm thoughtful manner with the ability to prioritize, monitor and control operations.
- you aim to exceed BU support requirements and expectations. You have strong customer focus, and create value for the supported BU.
- You are willing to act pro-actively by identifying opportunities and anticipate changes.

We offer you

- A challenging job in a growing international company.
- A fixed-term contract
- Flexible hours and competitive salary including benefits (meal vouchers, hospitalization and group insurance)
