

GC Corporation was founded in 1921 in Japan and has developed itself into one of the most prominent companies in the development, production and distribution of a very wide range of dental products. Since 1972 **GC Europe NV**, our European Headquarter is located at the Researchpark Haasrode in Leuven. GC Europe NV supports and leads our different sales offices and dealers. Our warehouse spreads our products to Europe and the Middle East. Next to this we produce some leading products for dental technicians.

We are currently looking for a:

Business Controller SAP (Henka)

Purpose of the job

As a SAP HANA finance specialist at our company, you will be a key player in an internal global project. This project will standardize and harmonize all our business processes across the world by implementing SAP S4/HANA. During the very first pilot-run of implementing SAP S4/HANA, you will analyze our implementation template to ensure a smooth implementation on accounting level. With your experience in Business Finance, you know where improvements need to be made, offer valuable advice to the department, anticipate challenges, seek better practices and contribute to the company as a whole to be successful in its aims.

Main responsibilities

- Actively ensure compliance with laws, policies and best practices during transition to a Global SAP platform
- Support the enhancement and compliance of Business Finance processes, standards and systems as part of the SAP implementation program
- Ensure a smooth pilot run of the implementation both locally and globally
- Advise on possible improvements during the project

Requirements

- You have experience in working in **SAP S4/HANA** and SAP FI CO, with specific focus on CO. Experience in other reporting/financial systems (such as Cognos, OpenText) are welcome.
- You have a Bachelor (or higher degree) in Business Administration or Economics.
- You have **5+ years' experience** in a Business Finance department
- You like to work with numbers, and you have great IT skills. You have a great knowledge of IT infrastructure/systems processes, and Excel has no secrets for you.
- You speak English fluently (extra points if you speak German and/or French)
- You are driven by the desire to identify, prioritize and maintain standards in order to meet internal and external demands.
- You are able to live and act in a climate of change. You handle stress and demands in a calm thoughtful manner with the ability to prioritize, monitor and control operations.
- You are willing to act pro-actively by identifying opportunities and anticipate changes.

We offer you

- A challenging job in a growing international company.
- A fixed-term contract
- Flexible hours and competitive salary including benefits (meal vouchers, hospitalization and group insurance)
