

**GC Corporation** was founded in 1921 in Japan and has developed itself into one of the most prominent companies in the development, production and distribution of a very wide range of dental products. Since 1972 **GC Europe NV**, our European Headquarter is located at the Researchpark Haasrode in Leuven. GC Europe NV supports and leads our different sales offices and dealers. Our warehouse spreads our products to Europe and the Middle East. Next to this we produce some leading products for dental technicians.

We are currently looking for a:

## Finance Consultant

### Purpose of the job

As our Finance Consultant, you plan, coordinate, monitor and lead all accounting functions and communicate areas of opportunity. You develop and maintain an accounting system that assures the financial records are complete, accurate and in compliance with company policy. You establish goals and objectives for business unit finance organization to ensure continued development and improvement of business unit finance organization. This position is opened because our current Finance manager is involved in an internal global project.

### Main responsibilities

You lead the **planning, forecasting, budgeting, cost accounting, asset management, and financial reporting requirements** to operate the business efficiently.

- Prepare annual profit plan by gathering inputs from product marketing, operations, sales, and engineering.
- Develop methods and practices to track and maintain cost savings projects, economic trends and sales price changes and review progress with project owners.
- Manage finance department through the development and execution of monthly financial processes, to include month end closing and forecasting.
- Ensure accurate and timely recording of operating results.
- Provide information assistance to other departments regarding financial issues and advise to management
- Prepare and review financial documentation and update as necessary
- Responsible for balance sheet integrity.
- Ensure balance sheet reconciliations are completed and proper reviews take place.
- Interface with internal and external auditors including Belgian authorities.
- Determine the financial information needs of the business.
- Analyze the performance of the business against goals and recommend specific actions.

You maintain adequate **systems of internal control** to ensure assets are safeguarded and the reliability of financial information.

- Direct the training and development of Accounting staff
- Evaluate capital appropriations to ensure investments generate acceptable returns.
- Implement and control key performance measures in coordination with the Vice-President Finance and General Affairs and the Management Team to secure growth of profit, of turnover and to ensure budget achievement and achievement of overall targets defined by GC Europe

### Requirements

- You have a university degree in Finance, Accounting or a related field.
- You have at least **5 years experience** in a similar function.
- You have **experience in financial forecasting and accounting system** (incl SAP S4 HANA).
- Microsoft Office Tools has no secrets for you.
- You speak Dutch and English fluently and you have a basic knowledge of German.

- You can captivate an audience when presenting.
- You have excellent **leadership and managerial skills**

### We offer you

- A challenging job in a growing international company.
- A fixed-term contract
- Flexible hours and competitive salary including benefits (meal vouchers, hospitalization and group insurance)
