

GC Corporation was founded in 1921 in Japan and has developed itself into one of the most prominent companies in the development, production and distribution of a very wide range of dental products. Since 1972 **GC Europe NV**, our European Headquarter is located at the Researchpark Haasrode in Leuven. GC Europe NV supports and leads our different sales offices and dealers. Our warehouse spreads our products to Europe and the Middle East. Next to this we produce some leading products for dental technicians.

We are currently looking for a:

Sales Business Analyst

Purpose of the job

As a Sales Business Analyst, you will develop and manage a reliable, structured, effective and knowledgeable competence center within Sales for all sales and market related data and activities/analysis. You will be supporting a colleague who is currently involved in a global internal project.

Main responsibilities

- Be the central point of contact for all sales related reporting
- Coordinate the annual sales budgeting process
- By working with IT in a Business Intelligence (BI) environment, support the automation and digitalization of data collection.

Requirements

- A university degree in business management, economics or computer information science
- Be business/commercially oriented and have a business/IT hybrid profile
- Have strong numeric, analytical and problem solving skills with eye for detail, at same time maintaining a general overview
- Have good PC skills with an advanced knowledge of MS Office, knowledge of SAP BusinessObjects is desired
- Have good communication and reporting skills
- Able to acquire knowledge easily
- At least 2 years experience in a similar function
- Have a good knowledge of English, knowledge of other languages is desired but not essential

We offer you

- A challenging job with potential for growth in an international company.
- A contract for a definite period
- Flexible hours and competitive salary including benefits (meal vouchers, hospitalization and group insurance)
