

GC Corporation was founded in 1921 in Japan and has developed itself into one of the most prominent companies in the development, production and distribution of a very wide range of dental products. Since 1972 **GC Europe NV**, our European Headquarter is located at the Researchpark Haasrode in Leuven. GC Europe NV supports and leads our different sales offices and dealers. Our warehouse spreads our products to Europe and the Middle East. Next to this we produce some leading products for dental technicians.

We are currently looking for a:

Test and Training Manager

Purpose of the job

As our Test and Training Manager, you will be responsible for the strategy, planning, coordination and execution of all testing and training throughout the full lifecycle of our SAP S4/HANA implementation project called Henka. The primary objective of this project is to standardize and harmonize business processes globally.

Main responsibilities

- You agree the testing and training approach for project henka
- You plan, organize, coordinate and lead the end-to-end test project Henka life cycle activities
- You plan, organize, coordinate and lead all training activities within project Henka
- You ensure that the team you are responsible for, can meet delivery timelines, whilst maintaining quality in what is being delivered for the business.
- In this role, you will manage relationships with key stakeholders and be the day to day face of the testing and training service.
- You will also be expected to drive initiatives to improve test efficiency whilst maintaining an effective team.

Requirements

- Experience with testing and training within a large transformation program
- Experience with testing and training within an ERP environment, preferably with SAP S4 Hana
- Experience across the Microsoft Office Suite
- Experience of working in demanding and challenging environments
- Experience of working to tight deadlines
- Ideally some experience of the project life cycle
- Highly organized and with an eye for detail
- Although the basis is Leuven Belgium, happy to travel frequently
- At least 5 years' experience in a similar function
- Strong verbal and written communication skills in English

We offer you

- A challenging job in a growing international company.
- 6 month contract with possibility of extension
- Flexible hours and competitive salary including benefits (meal vouchers, hospitalization and group insurance)
